All of UCSF’s offices, labs and clinics/units can now be LivingGreen Certified, helping the university promote a healthier planet by saving trees, reducing waste and using less energy. Recognition of all certifications will be made at the Annual UCSF Sustainability Awards ceremony.

A healthier planet means healthier patients.

“We all have the power to impact our environment.”
Renee Navarro, MD, PharmD
Vice Chancellor of Diversity and Outreach

“We make a difference by treating each other with respect and giving our planet that same attention. Let your actions match your intentions. Make a difference.”

Join the Race to Certification.
It’s a fun and easy way to support UCSF’s commitment to sustainability.
