

We're in a water crisis.

Join the water saving efforts and reduce your water usage by **20%**. Save gallons today by following these simple steps:

1 Limit your shower time to 5-minutes or less.

Save
1,000
gallons/month

2 Report all water leaks to facilities services.

Save
100
gallons/day

3 Use the dishwasher rather than hand washing dishes.

Save
10
gallons/day

4 Turn the water off while brushing your teeth.

Save
4
gallons/min

UCSF WATER CONSERVATION STRATEGY

The state of California has declared a state of emergency due to extreme drought conditions which necessitates that we take every precaution to avoid the wasting of water.
