GCLC CNI/GFI Fellows

To get involved, email Alex.Schrobenhauser-Clonan@ucsf.edu, MS4 + UC President's Carbon Neutrality Initiative Fellow

Before Thanksgiving and the UN Climate Change Conference in Paris, come share stories of gratitude, grief and support for our natural world with other healthcare professionals.

A heart shape formed by two hands holding a globe of the Earth. The hands are positioned at the top and bottom of the heart, with the fingers pointing towards the center. The globe is the central element, showing continents and oceans in various colors (blue, green, brown, white).

CALLING A FAMILY MEETING FOR PATIENT EARTH

Monday, November 23rd

5:30 PM - 7:00 PM

S - 214 Auditorium

513 Parnassus Ave

#ActOnClimate, #ActInParis

#ClimateChangesHealth

#ClimateUC

#UCool

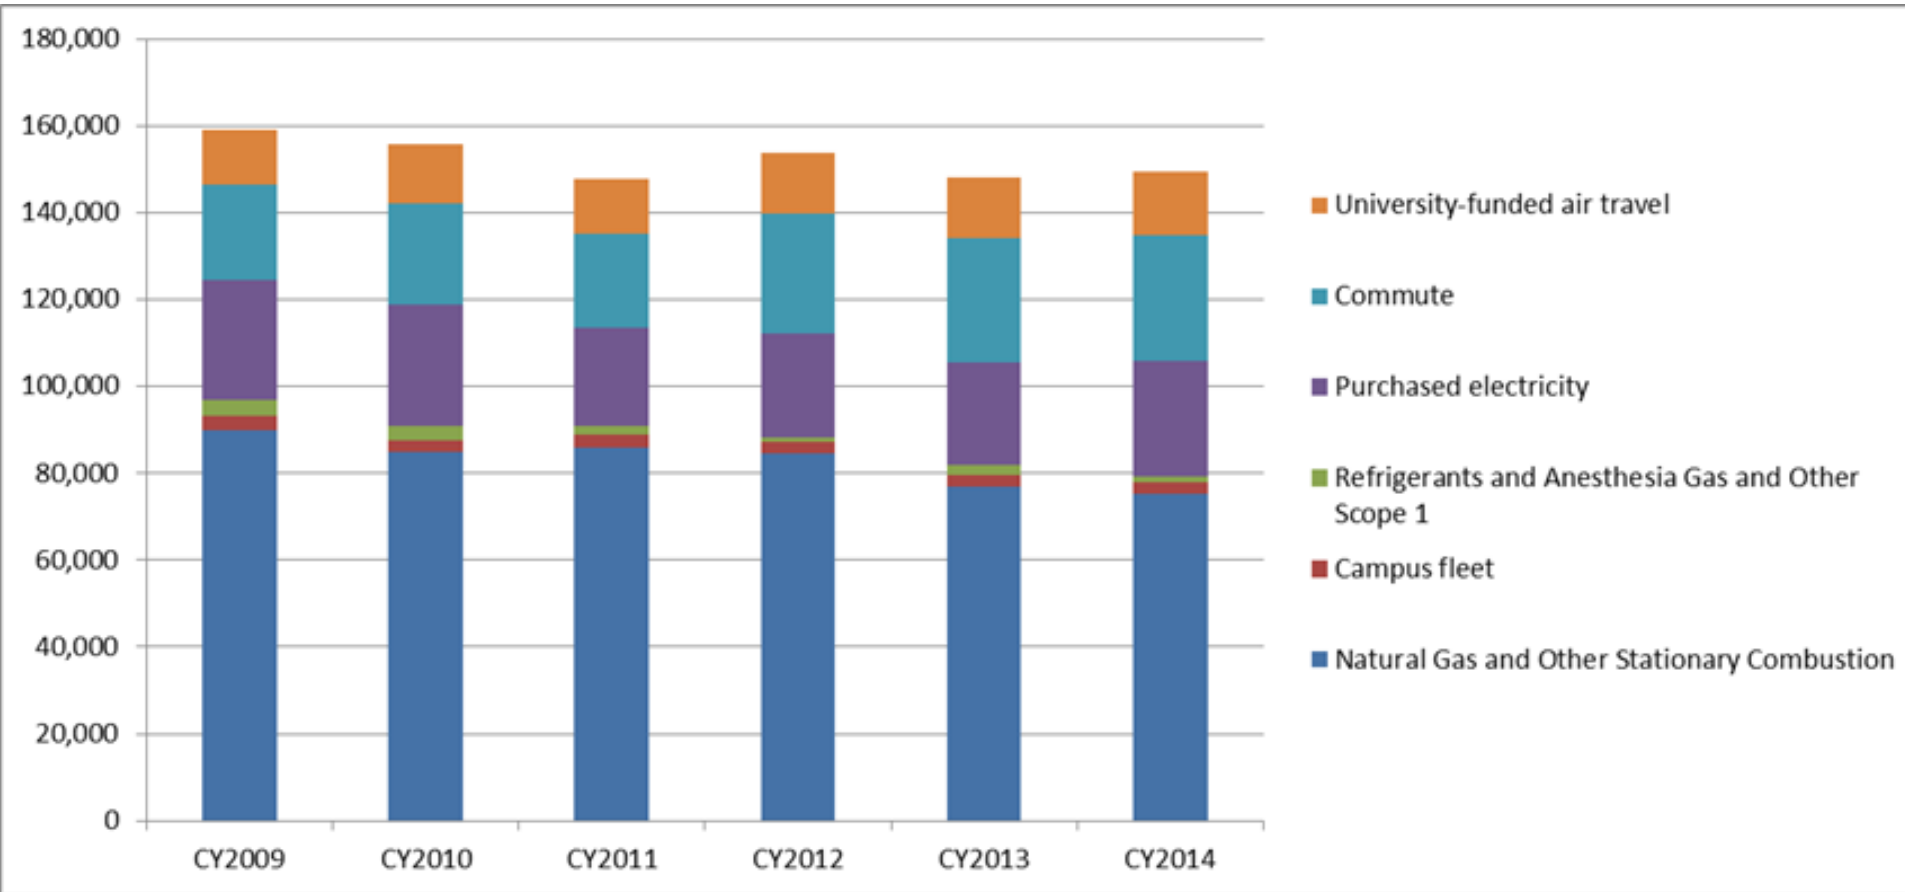

As scientists, clinicians and educators, we can help mobilize climate action, carbon neutrality, and whole earth health, locally, nationally and globally.

RSVP with OrgSync at <http://tinyurl.com/patientearth> or Eventbrite at <http://tinyurl.com/patientearthevent>

Agenda

- WGs share top initiatives for FY16-17
- Assistance for cost benefit analyses for budget ask
- CHESC Best Practice Awards – decline in UC participation last year, so encourage increased submittals, assistance
- March 8 UACS presentations: Sust Food, Green Bldg,
- Updates:
