

FY 18-19 ULT Freezer Chill Up Rebate

Memorandum of Understanding

Lab agrees to change temperature set point of their ULT freezer(s) to -70°C and Facilities Services (FS) will provide a rebate of \$500 per compliant freezer, contingent on the following terms:

1. ULT freezer(s) must be fully operational at time of rebate application and inspection.
2. Freezer(s) must be located in an [eligible UCSF building](#).
3. Freezer(s) that have previously received a -70°C rebate do not qualify.
4. Sustainability/FS staff will award \$500 per freezer upon successful inspection in 4-6 months.
5. Sustainability staff will perform random spot checks to ensure compliance.
6. Incentives will be paid on first come, first serve basis until funds are expended.

Please provide the following details for each ULT freezer associated with this MOU:

Brand & Model	Serial #	Asset Tag ID	Year Acquired	Building & Rm

By participating in the ULT Freezer Chill Up Rebate, the lab agrees to adhere to the terms outlined in this MOU. Please check each of the following conditions to indicate understanding and agreement:

- Lab agrees to change temperature set point of their ULT freezer(s) to -70°C and keep this set point for the remaining useful life of the ULT Freezer.
- Lab agrees to keep rebate sticker (applied by Sustainability staff) visible on the -70°C freezer(s) at all times.
