

UCSF wants to help you go solar!

Introducing SunShares

Simple. Affordable. Together.

Thinking about installing solar or buying a zero emissions vehicle, but don't know where to start?

SunShares is here to help!

Benefits:

- Discounts on zero emission vehicles, Nissan Leaf and Toyota Mirai.
- Vetted vendors and free workshops make it easy to go solar or electrify your commute.
- Options for homeowners, drivers, and renters.

Here's how it works:

1. Sign-up at www.bayareasunshares.org by November 4th, 2016.
2. Get your discounted quote from a pre-selected solar installer, visit a participating vehicle dealership, or learn about programs that help renters access renewable energy.
3. Sign a contract by November 18th, 2016 to take advantage of program discounts!

Spread the word to your friends, family and neighbors. With discounted program pricing, pre-selected installers and federal tax incentive, **there has never been a better time to plug into the sun!**

Visit **www.bayareasunshares.org** today to sign up or register for workshops.

If you live in one of the nine Bay Area counties as well as, Yolo or Sacramento County, are a homeowner or renter, want to buy or lease an emission-free vehicle...**you are eligible to participate!**
