

UCSF

SUSTAINABLE FOOD REQUIREMENTS

Businesses that meet the requirements for sustainable food at UCSF will receive a two green leaf icon on the America to Go/BearBuy website.

UCSF is Working to Support UC Policy on Sustainable Practices

Sustainable Food - Two Leaf Icon

My business procures 20% sustainable food, as defined by the UC Sustainable Practices Policy on Sustainable Foodservices.

I have read and agree to the practices listed on page two for all events hosted at UCSF. Please return signed form to the atgpartners@americatogo.com. My signature below indicates my commitment to UCSF's Sustainable Practices Policy. For questions about these requirements, please e-mail Sustainability@ucsf.edu.

University of California Sustainable Practices Policy

Page 23 Sustainable Foodservices (<http://policy.ucop.edu/doc/3100155/>)

Per the policy, sustainable food is defined as food and beverage purchases that meet one or more of the criteria listed below, which are reviewed annually by the UC Sustainable Foodservices Working Group (under the UC Sustainability Steering Committee).

- i. Locally Grown¹¹
- ii. Locally Raised, Handled, and Distributed
- iii. Fair Trade Certified¹²
- iv. Domestic Fair Trade Certified
- v. Shade-Grown or Bird Friendly Coffee
- vi. Rainforest Alliance Certified
- vii. Food Alliance Certified
- viii. USDA Organic
- ix. AGA Grassfed
- x. Grass-finished/100% Grassfed
- xi. Certified Humane Raised & Handled
- xii. American Humane Certified
- xiii. Animal Welfare Approved
- xiv. Global Animal Partnership (steps III, IV, V)
- xv. Cage-free
- xvi. Protected Harvest Certified
- xvii. Marine Stewardship Council
- xviii. Seafood Watch Guide "Best Choices" or "Good Alternatives"
- xix. Farm/business is a cooperative or has profit sharing with all employees
- xx. Farm/business social responsibility policy includes (1) union or prevailing wages, (2) transportation and/or housing support, and (3) health care benefits
- xxi. Other practices or certified processes as determined by the location and brought to the Sustainable Foodservices Working Group for review and possible addition in future Policy updates

¹¹ Resulting from regional constraints, campus definitions of "Locally Grown" and "Locally Raised, Handled, and Distributed" may vary; however, "Locally Grown" and "Locally Raised, Handled, and Distributed" distances shall not exceed 500 miles.

¹² Fair Trade Certified products must be third party certified by one of the following: IMO Fair For Life, Fairtrade International (FLO), Fair Trade USA.
